With PubliBike it's possible!

Day Pass

In order to expand our range of services, we have developed a day pass offer for our partners.

Day passes are very practical for a whole day's travel throughout Switzerland. With our offer, you allow your customers to borrow bikes and e-bikes in all our 8 networks (*Fribourg, Bern, Zurich, Lausanne-Morges, Nyon, Lugano, Sion and Sierre*) for 24 hours at no extra charge.

A service with many advantages

- *Unlimited* bike sharing.
- *Valid in all our PubliBike networks.*
- *Availability of tutorials in FR, DE, IT, EN.*
- *24/7 availability* of bikes and e-bikes.
- *Fleet management and bike repair* included.
- *Valid for 24 hours from the time of registration.*
- *Customer service available 7 days a week* from 6am to 7pm, in FR, DE, IT, EN.

As a partner, you have the opportunity to purchase day passes at a **preferential price**. Day passes can then be **integrated into a package offer**, **resold** at the normal or reduced rate, or **offered** for free to your customers.

Up to 20 units	32 CHF/unit
More than 20 units	29 CHF/unit

How does it work?

Simply order the desired number of Day Passes and we will send you unique promo codes which can then be given or sold* to customers.

Customers then register via our website or the PubliBike app using the promo code. After activating their account, they can directly use our bikes and e-bikes for 24 hours (or more exactly 23h55m).

It is also possible to open several bikes simultaneously (maximum 5). For each additional bike, the B-Quick rate applies (for more information, see the conditions on our website).

***Please note that the resale price cannot exceed the purchase price.**

If you have any questions, please do not hesitate to contact us. We will be happy to make you an offer!
